RE: WAI K LEONG, JMC COACH MASTERY SDN BHD

In the past year since early 2011, the Senior Leadership Team of Maxis embarked on an Executive Coaching and development programme.

For this programme, I personally selected Wai K to be my appointed Executive Coach over all others as I found him to be a very pleasant gentleman with an amiable personality. During the course of the programme, I found my sessions with Wai K to be extremely helpful in both my personal and professional development.

Not only does Wai K bring with him vast experience in executive coaching, he also demonstrates strong capabilities to grasp work issues/challenges quickly. He is an extremely good listener who never fails to ask prompting questions at the right time and manner. Through his questions and our open discussions, I was guided to seek answers or solutions to any issues/challenges I was facing. I found it useful to discuss 'almost anything' with Wai K, be it on a personal or professional level. He conducts himself very professionally and never fails to offer support and assistance required.

I would highly recommend Wai K to any other professional executive who is in search of an Executive Coach.

Yours sincerely,

Sophia Lim
