Dear WK,

RE: Master Performance Coach Training Project with Fitness First Asia, on 5 & 6 May, 19 & 20 June, and 12 till 16 September, 2011

It was indeed a great pleasure and rewarding for us, the Asia Fitness First Senior Management Team, to be trained, coached and developed by your good self.

The sixteen of us, coming from 6 Asia countries, with more than 7 different Nationalities, definitely have grown and became better whilst and after attending your coaching programme. I have heard tremendous compliments, right from my Asia MD, Mr. Simon Flint, all the Country MDs and the Regional Executive Team.

I personally, have gained so much from these months with your goodself.

On behalf of all the participants, a big thank you and we will definitely be using your services again in the near future.

WK, you are indeed a Master Coach!

Yours faithfully,
